Scribe & IC @ NOC

Handovering plan (loads) not functional
getting 20 city buses, making a plan for
these buses. How are we gonna handle
the core. Want idea re highway, exits
down Kent shut down not getting in from
North side, how to get to highway &
keep going. Kurt (OPP) mentioned an
engineer that could assist.

30 cars: can we get officers to p/p
cars & bring to Bern Frankin.
IC to ask Carson.

8:49 Bernier > IC

IC calls Sam Roberts to ask about radios as
for 80 officers that will be arriving @ near
Steele Bell has pulled 1 in Huges.

We need Ian Huges now @ the ICC w/
Steele Bell. Drummond to talk to ~~Steele~~
A/Chief Bell. IC suggests John Mwakulo to
go w/ ~~Steele~~ Bell or Zack.

Command w/ needs to go @ Huttner
need to start 2 hrs early. With March &
Luis ~~are~~ trained to use. Will train
one more person

Are buses for handing or transport?
Will ask A/Chief Bernier

Buses used for blocking (handovering)
Union may have issue w/ officer standing
w/ buses. Need bus drivers not plan on
standing to move buses if need to.

9:26 Julie Mann > IC

9:25 IC > Sam Fawaz

9:24 Fawaz > IC

9:34 Benier

Briefing meeting starts.

PLT

Actions on plan, getting closer & closer to start. Band table for update Gisch. PLT mission started & out on Social media. [REDACTED] is concern. Some opposition from crowd, not too bad. Will connect w/ leadership to reinforce messages. Request: Can we remove [REDACTED] sooner than later?

9:37

T. Hodgins

Yes, mid after to late evening is optimal. Need to be cognizant of when [REDACTED] will be released after arrest. Will ask about 72 hrs removal. Currently 4 offences on him.

Benier > T. Hodgins

T. Hodgins

Breach of peace? Will he have conditions? Yes he will have conditions. We will know every move once he gets released (as of OPP partners). We're just waiting on go ahead. Will have update @ noon.

9:40

Benier: Will be getting Vanessa Stewart. Crown here @ ICC

9:42

PLT (Gisch) PLT left Wellington area due to too much stress.

T. Hodgins ALSO looking @ [REDACTED], have to find him.

9:45

There's a warrant so we can just arrest

REDACTED

9:59

D. Thompson

Tac team gears up for this

Bernier > A. Flanagan: 60 over things, what will the heavy ^{snare} have any impact on operation?

A. Flanagan > Bernier: Can reduce hand lat capabilities, gives more sustainability. Unsure if will affect Toronto.

Bernier > IC: Just need to know if any barriers or will affect operation

T. Hodgins

7am-10pm will be coordinated. We're ready.
if have to use Feery concept, we'll be ready.

10:02

Bernier > Hodgins

any go around Feery? ~~the~~

T. Hodgins > Bernier: Not yet, ~~the~~ discussing w/ B. Hornolka

T. Hodgins

Exigent circumstances need to be documented

Bernier > T. Hodgins: Can a strike be in a close by vehicle so they can document what's going?

10:07

T. Hodgins:

yes can be possible.

T. Hodgins:

REDACTED

can possibly be arrestable. She knows the & has communicated this in social media

10:12

Bernier:

MANY of ~~these~~ vs were here til 1am last night because of convoy was coming. Need to still be on top of any convoys potentially coming.

D. Springer:

Working on strategy to intervene w/ convoys.

10:15

K. Bryden:

-Convoy seems to be more & more fractured & smaller & difficult to track for these reasons.
-Sack full of ammunition @ 180 MacLaren. Guys looking into that. NO persons of interest @ that location. Business Inn Hotel

Medica-Army

Supporting everyone, 2 options of release re controlled

acc. access to be reviewed by Bernier.

Meeting over

10:28

Eds (Cairns) > IC

No leadership @ all, ~~that~~ does not know
where to send any requests to needs this
to be figured out. Frustrated.

11:14

IC > T. Hodgins

discussing teams (offside w/o Scribe)

IC (Pell) Tim

POU meeting @ EY Center?

How many handoff teams? IC will inquire
& Total amount of tow trucks. (T)

11:20

Eli Ed. > IC

POU Brief @ EY, ~750 members.

IC asks if that's capacity. Eli Ed not sure

ME

ELI ED > IC

11:25 IC > Jamie ~~Butler~~ ^{Facilitating} ~~Facilitating~~ logistics (Paul) for that (phone) discussing Hot Teams & where to brief & w/ who. Still needs to have some sort of Investigative Component after 10pm

1:30 Julie > IC

trying to Staff plan for Friday
Jamie Butke emailed that times have changed. Expectations of what happens to Investigators

IC > Heather

as of 2 AM

11:37 Heather > IC

T. Hodgins

still a 24 hr plan for Investigators
Hot teams only from 7am - 10pm. POU not going past 10pm, no need for hot teams past 10pm.

IC > Hodgins

Rob Drumm > IC

We may have to cancel everything, who knows
Did opp redeploy to go to handling?

11:39 Julie > R. Drumm

Heather > IC

Yes.

Need to continue to have some hot teams.
Heather to speak to Jamie about that

11:40 IC > T. Hodgins

Julie > Heather & T. Hodgins > Need decision re staffing this soon.

^{we have}

~~the~~ 15 investigators, requesting 15 more. Heather says no more ~~to pull~~ ^{we} Investigators to pull.

Given we only have 16 vehicles in area 1, maybe we just need 1 & 1.

Julie > T. Hodgins & Heather

If we only have 15, maybe we can split 7 & 8. ~~Heather~~ ^{we}

Heather to call Jamie to clarify that we do need Invest over night

11:46 Julie > Heather

~~T. Hodgins~~ ^{we}

need #s for day shift & for night shift.
Heather says we'll need 15 of 2 up until 10pm then after not as many.

T. Hodgins > IC

Suggest 10 & 5

Julie > Heather

unsure if we can staff fully. @ 10pm

Heather > IC

If we can't properly staff we pause & then restart in the morning.

1:52 ~~Julie~~ Heather > IC let's leave it up to Jamie re briefing part
Julie > Heather will still need to know as we need to bus
these people.

Heather > Julie need to focus on 7am-10pm timeframe
for Hot Teams.

11:54 Julie calling Jamie Ritchie; discussing staffing

Tim (Red) > Heather: 24 hrs Commanders, & 24 hrs team members.
Would rather have more hot teams in day,
& deal w/ what we have @ night. (Relaying this
to Jamie on phone).

~~Heather > Julie: Has many more before we~~

2:04 Julie > Heather & Jamie: need to form 30 Teams of 2
essentially Julie & team will try to put together the
needs Jamie ^{to give} briefing time to advise teams.

12:10 IC > Scribe REDACTED, Mike's ext. Calling him

IC > Jeff Leblond: re truck keys, where do they normally go
after veh is seized?

Jeff > IC usually stays w/ tow but for this tow plan, we
may need to have access to keys for the trucks
who are placed badly & need to be moved.
We need to ensure keys stay where vehicles
^{are} 1

Mark > IC & Jeff: - NO ^{veh} release process established.

might need meeting w/ Stokes, Ritchie
to iron out when we take custody.

- other services (OPD, Paramedic) ^{will} has anybody
be @ sect? IC says will probably ^{be} @ MRC

Once Action On plan officially go, Sam
^{Roberts} ~~Foran~~ will communicate w/ support agencies

(hospital Paramedic) to ~~give~~ give heads up
IC agrees meeting w/ Stokes & Jamie 1

Jeff > IC

Confusions re briefing. Suggests briefing
coordination teams should be here so 1
we clarify some confusions going on.

12:25 IC > Jeff & Mark

misunderstanding POU stopping @ 10 pm.

13:15 IC > Ops Traffic
(Cairns)

Need to clarify that it's not a message this
Tomorrow where ~~are~~ traffic officers going to be?
For this to happen tomorrow how many officers
will you have for tow? He does not know
In order to sterilize each phase need to go
out of rep zone.

IC > Ops Traffic
(Cairns)

66 points where OPP officers will be. Will get
this to assist your plan.

Ops Traffic > IC

Theres lack of communication

Walid > Ops Traffic

We can take chance to say most will
be closed.

Cairns
Ops Traffic > IC

Will need officers to assist ^{local} traffic while we're
towing. 30 officers, 15 cruises

Cairns
Ops Traffic > IC

needs map where closures area, extreme
closures of hardening.

Ops Traffic > IC

5 11 13 compliment

Walid > Cairns

We can use traffic guys for tow plan?

Cairns agree. ~~by 10:15 AM~~ ~~10~~

Walid says take 16 officers for that
Ops Traffic agrees.

13:22 Cairns > IC

if he can get map to indicate covered
intersections that would help ⑦

Ops Traffic > IC
(Froats)

Told to include in plan someone to
facilitate process of vch's.

Mark & Jeff having meeting w/ C. Stokes
to iron this out.

Cairns > IC

This should not be a traffic officer, need a
resource.

Ops Traffic > IC
(Froats)

We have some officers there to enter entry
info etc. Concerned for duplicate work being
done. IF it's a traffic duty it can be done.

13:30 S/Sgt Julie Mann > IC

ABKs where briefings occurring. IC calling
Sam ~~Robert~~ Lawrence

IC ASKS Sam about Infinity Center & Ben Franklin.

Sam > IC
Julie > IC

Maintenance etc @ Ben Franklin @ 9pm
We told many being changed @ infinity
need briefing for operation. where?
Are Hot teams briefing ~~at~~ @ EY?
if so need small room ^{at} after that will it
be @ infinity @ regular briefing times?
IC to inquire (T)

13:43 IC > ~~Sam~~ Sean Kay (phone)

Is there small meeting room we can have for hot team briefing?

Sean K > IC
Trish Ferguson > IC

Ben Franklin does w/ bus over people to EY after Hospital liaison? IC advises Sam Roberts is liaison.

13:45 IC > Mel (Admin KMP)

Get maps printed out

1350 Arlene > IC

Advise of city not approving plan.

13:59 IC > calls Russ

IC > Cairns & Tracts

Brings ~~plans~~ ^{maps} w/ 66 points listed.

14:15 IC > Bernier

~~asks~~ asks if handering plan approved

Bernier > IC

Bernier confirms it is.

14:16 IC gets call from

Sam Fawaz re 66 spots

14:17 IC > Bernier

66 spots, are they all marked vehs?

Bernier > IC

not all but it's in the plan. Bernier approved concept of plan but details like this to be determined.

IC > Arlene

asks about vehs being marked

Arlene > IC

all outside points are marked vehicles (OPP)

as you go in orange zone, will have buses.

OPP staffing & bringing own cars (marked) outer perimeter staffed by OPS, buses.

IC ^{calls} Sean Kay

~~asks~~ asking about bound room @ EY Not yet.

IC > Julie Mann

Handering plan, confirming OPP has own cruisers?

Julie > IC

re inside perimeter OPS cars & rentals but not marked as we don't have enough cruisers

14:33 IC

Will advise Sam Fawaz that we don't have cruisers for inside perimeter. (T)

14:38 Sean K > IC

Sean calls to advise boardroom is avail @ EY Center for Hot teams for briefing @ Sam

14:41 IC calls > Sam Fawaz

Asks about available cruisers.

IC > Sean Kay

Two briefings @ 5:00 & 1:30 (advises Sean over ph)

15:01 IC >

Randy Stockdale & Sam Brenner meet w/ IC re. Briefings. Randy & Sam not aware that @ midnight, enforcement begins. IC advises. POU briefs @ Sam, ^{at EY} Hot teams briefing @ EY in boardroom adjacent. Attempting to have everything @ Ben Franklin move to Infinity. If not will bus people from Ben Franklin to EY & back.

15:07 IC > Randy

Intel stuff to POU & Hot Teams

IC > Randy & Sam

Concerned that the 7am start won't actually happen. IC will talk to Bernier re what exactly he wants as briefing.

IC, Randy & Sam to see Bernier

15:13 Bernier > IC

Asks if there are plans to approve. Needs all plans X3 to review & approve.

15:17 IC > Bernier

15:25 Sam Roberts > IC

Spoke to Heptco rep for hospitals being advised.

IC > Sam Roberts

Handen plans: re city rep @ Nurce not approving.

Sam > IC

Buses: wanna use buses as barriers (TPs request)

Steve @ City says ok. IC explains bus there as barriers w/ drivers nearby as standby.

Sam > IC

Sam needs to know how many needed so he can arrange w/ OC & where to put them. (T)
Needs to get the request in ASAP.

15:30 IC > Sam

Sam Fawaz may already be dealing w/ this. IC to confirm. (T)

15:33 Cairns > IC

sends his plan to IC via email.

It includes tow plan as well.

T. Engstrom > IC

16:11 IC > Julie Mann ~~Arrest vans~~³ ~~Recomming~~ & may have own drivers (I)

Julie needs to know to put on staffing sheet

16:13 Julie > IC

Many are showing up @ Infinity but some getting call to go to Ben Franklin. ~~Will call them to go to Infinity~~

16:17 Stockdale > Sam Fawaz: Where are buses (20) for hardening

Eddie Youmens & Shaun Graham working on that

16:20 Sam Fawaz > Stockdale Everyone goes to Ben Franklin then w. ll get buses to InFn.ty. (Relays this to Julie Mann)

16:32 Julie > IC

Being told by Kevin that ~~POV~~ keep pushing forward then after 10pm, sent home ~~them~~. We need to staff. Julie to confirm w/ Avery.

16:37 Bernier > IC

Reviewed plans, just need title of each plan to be put on top of each doc

16:37 Julie > IC

We need to staff w/ assign site commander with QRT teams at each site.

16:42 Sam F > IC

asking about buses again. Advises to call Eddie Youmens

~~16:43~~

Also may need shut bus for decar which may require own driver. To be confirmed.
